

Fact sheet E-Monster

New 2023 – The E-Monster!

The E-MONSTER is the ideal companion to revive summer tourism, even in even in regions without ski lifts. The E-Monster is a cool and trendy product to explore the surroundings in a new way. Whether it's extensive exploration tours through the mountain landscape or leisurely cruising through town and landscapes - your guests will love it.

The scooter is equipped with front lights and brake lights. It also has reflectors and optional mudguards. It can be used accordingly in road traffic in the same way as a bicycle.
